HOW WE HELP YOU

Springboard Circle: the personalized team behind your success story

Learning on your own falls short for so many people. That's why Springboard surrounds you with a circle of human support proven to help guide you through all the tough spots of your learning journey.

From curriculum and assignment questions to time management and career goals, there's a huge community of people in your corner the minute you enroll.

Your matched industry mentor

This expert works in the field, giving you real-world advice to build your skills faster via scheduled regular video calls where you set the agenda.

Your career coach

This career expert helps you plan, search, interview, and negotiate successfully — available to you for up to six months after you complete the program.

Your student advisors

These advocates become your touchstone to achieving your goals, helping you learn healthy study habits, stay on track, and knock down obstacles.

Your online community

Meet other students, ask questions, share advice, and get feedback on your projects. all via Slack. accessible 24/7.

Springboard gives you the flexibility you want and human support you need

With Springboard's online learning platform, you don't have to quit your job to learn the skills for a new career. You don't have to go it alone. You learn on your terms, and you have dedicate pros that work with you before you enroll, during your coursework, and after you graduate.

Classroom Learning	Springboard	Basic Online Learning
Live instruction during set times with in-person office hours	Online learning with 1:1 human support throughout your learning experience	Learn on your own with canned or free courses, such as YouTube Google and Coursera
Personal support & accountability through grading	Dedicated career advisor and regular calls with your personal mentor keep you on track	No accountability
Scheduled classes	Flexibility to learn on your time and go at your own pace	Flexible schedule
Full-time commitment	Part-time; keep your current job while preparing for your new career	Part-time; keep your current job

NEW: Learn AI from humans in the know

You need AI. But AI also needs you. And you both need human-guided insights to maximize the power of your collaboration. **Enroll and gain exclusive access to an AI interactive learning series.** You'll learn from experts who are using AI to increase productivity, win vs. the competition, and lead their teams—so you can too.
